

**PROUDLY CANADIAN – 100% MADE IN RICHMOND, BC**

At Canadian Blind Manufacturing Inc. (CBM), we take pride in being a Canadian-owned company, dedicated to providing high-quality, locally made window coverings.

Our products are expertly crafted in our Richmond, BC warehouse, ensuring superior materials and exceptional workmanship.

### Roller Shades

Sleek and modern window solutions with a variety of fabric selections, hardware, and control options.

### Montage Shades

Innovative dual-layered shades that provide versatile light control and enhanced privacy.

### Cellaris Shades

Elegant cellular shades featuring energy-efficient properties and a flat headrail for a contemporary look with minimal light leakage.

### Roman Shades

A luxurious blend of light-filtering and room-darkening fabrics, available in a stunning range of modern hues and refined designs.

### 2" Horizontal Blinds

Classic yet functional blinds offering excellent light control, with a cordless lift system for enhanced child safety.

### Vertical Blinds

A practical and stylish solution for large windows and sliding doors, providing flexible light management.

With a wide selection of manual and motorized options, our shades and blinds cater to both residential and commercial needs. We comply with Canadian Child Safety Regulations to ensure peace of mind for families and businesses alike.

# Why CBM?
